## WHY A DEMO REEL?

Whether it be for television, movies, theatre, or any other field in the acting world, casting directors want the actor to provide a reel.

A casting director will tend to keep reels and re-visit them for future jobs, making it easier for you to find a job.

## ACTING PORTFOLIO

Portfolios in today's highly talented and competitive world need to have three things:

Demo reel, Head shot and a resume.  
Not having one of these three items will put you at a disadvantage at any casting call you visit.
